

Scan & ride!

- 1 Activate Bluetooth and location services on your mobile phone
- 2 Download the app by scanning the QR code
- 3 Enter user code POLD
- 4 Add funds to the wallet for the rental duration
- 5 Select the bike in the app (bike number is on the side of the frame)
- 6 Unlock the bike in the app
- 7 Activate the electric motor by cycling and then pedaling backward three full turns
- 8 Lock the bike: first in the app, then manually slide the lock shut
- 9 When returning, don't forget to sign out the bike in the app
